To whom it may concern,

We have looked through the program of mikvacalendar.com and find it to be a useful tool in assisting people to keep the *mitzva* of *taharas hamishpacha* with ease. The program takes into account *psak halacha* according to different *shitos*, helping families across the spectrum to keep *taharas hamishpacha* in a *mehadrin* manner.

We wish to commend Rebbetzen Rivkah Bloom for investing in this tremendous project on behalf of the *klal*.

May Rebbetzen Bloom and the team of mikvahcalendar.com see much bracha and hatzlacha in all their endeavours.

Kol tuv,

Rabbi Yitzchok Melber
